PRIVATE SWIM LESSON EXPECTATIONS

Thank you for signing up for private lessons at the Wilkes-Barre Family and/or Greater Pittston YMCA. In order to provide you with the most efficient swim lessons, we ask that you follow a few guidelines:

- After your registration is complete, your information will be passed along to our instructors to determine who is available. They will then reach out to you directly to schedule your first lesson.
- If your schedule changes, please provide us with at least 6 hours in notice. If you cancel within 6 hours of your lesson, a lesson will be subtracted from your package (the same expectation will be for our instructors to let you know, otherwise a lesson will be added).
 - If the YMCA is closed for weather or other reasons, swim lessons will also be canceled without penalty.
- When on the pool deck, the swim instructor and the lifeguard on duty have the authority to enforce and modify rules as necessary. Please respect their decisions.
- Children under the age of 18 MUST use the girls, boys, or family changing areas. They are not allowed in the mens and womens locker rooms.
- Swim lessons will last for 30 minutes, but may go longer at the discretion of the instructor.

We hope you enjoy your lessons and will choose to renew when your package expires. Please contact the Aquatics Director to renew, and then you may reach out directly to the instructor to continue scheduling lessons.

Please contact Andrea Butchko, Aquatics Director, with any questions:
